KIN-DOM LIVING

Communion Sunday

ALL ARE INVITED AND WELCOME TO PARTICIPATE

“The Eucharist (Communion) is an *encounter of the heart when we recognize Christ's Presence through our own offered presence*. In the Eucharist, we move beyond mere words or rational thought and go to that place where we don't talk about the Mystery anymore; we begin to chew on it. Jesus did not say, 'Think about this' or 'Stare at this' or even 'Worship this.' Instead, he said, 'Eat this!' We must move our knowing to the bodily, cellular, participative, and thus unitive level.”

– Richard Rohr (adapted from *The Universal Christ*)

“We must keep eating and drinking the Mystery, until one day it dawns on us, in an undefended moment, “My God, I really am what I eat! I also am the Body of Christ.” ... The Eucharist should jolt us into awareness that we have dignity and power flowing through us in our bare and naked existence—and everybody else does too... A body awareness of this sort is enough to steer and empower our entire faith life.”

– Richard Rohr (adapted from *The Universal Christ*)
